The Synoptic Gospels

Lesson 3 — The Portrait of Jesus in the Synoptic Gospels

Why was Jesus so popular-and so unpopular? Crowds and Controversies

Over the last two weeks we have discussed the method of Jesus' teaching (parables, miracles, riddles, hyperbole, etc.) and Jesus' favorite topic, the kingdom of God. This week we discuss the basic story that the Synoptic Gospels share. We have talked about how many of the individual episodes these Gospels have in common, but in this lesson we want to look at a few major characters and the plot.
