What happens at the convention?

The convention is a great time of fellowship and making memories! It begins Friday afternoon, and there is an Awards Ceremony Friday night (for all pre-convention events). It continues all day Saturday with a final Awards Ceremony Saturday night (for all convention events). Staying at the hotel makes it easier to participate in the events and is so much fun! Our Hospitality Suite provides a common room to hang out and just relax together as a church family, even if you cannot stay overnight. On Saturday night we provide a pizza dinner for everyone right before the final awards ceremony.
